I'm looking for an internship : 6 months from March 2014

Studies

- 2012–now **Double degree : audiovisual strategy**, *Telecom Business School*, Evry.
Telecom Business School is a French state-funded Management School, a member of Institut Mines-Telecom, accredited and internationally renowned.
Options : Project management, Ergonomics, Medias design
- 2010–2012 **First and second year of engineering school**, *ENSIIE*, Evry.
Studying at ENSIIE (Ecole Nationale Supérieure d'Informatique pour l'Industrie et l'Entreprise).
Options : Operating systems, network administration, artificial intelligence
- 2008–2010 **"Classe Préparatoire aux Grandes Ecoles"**, *Lycée les Eucalyptus*, Nice.
Preparation for national competitive entrance exams to leading French "grandes écoles", specializing in mathematics and physics.

Experiences

- October 2013 **Temporary teacher**, Telecom Business School, Evry.
For 3 months : teaching Web development and how to use Adobe Photoshop.
- January 2013 **Freelance B2B-en-trade**, Palais Brongniart, Paris.
Ergonomics analysis and modifications of the web platform for B2B-en-trade.
Used technologies : PHP with ZEND framework, HTML, Javascript and CSS.
- June 2012 **Internship**, ESPHI, Marseille.
For 2 months : conception and development of a Java application for *Google Android*.
- June 2011 **Internship**, Thales Underwater Systems, Sophia Antipolis.
For 10 weeks : conception and development of a web application for Thales Underwater Systems's intranet.
Used technologies : XHTML, PHP object, MySQL and JavaScript.
- April 2011 **Freelance Alcatel WeTalk**, Junior Entreprise Diese, Evry.
Development of a Java server and a Javascript client application (called WeTalk) for an Alcatel phone prototype.
- 2010-2011 **Android applications**, www.topsquare.c.la.
Conception and development of two Android applications : an utility and a puzzle game.
